

HOPOP 500 # 157

A functional bollard for sitting or jumping. Ideal for green spots and playgrounds. Perfect for playing "Don't touch the ground!" or just an informal break. Also suited for use as a mobile seating bollard in indoor settings such as libraries or other institutions.

Design: out-sider

TECHNICAL DATA

Material

Rotation moulded polyethylene, 6mm thick, dyed. Moulded in one piece. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Surfaces and friction

The products have a textured/granulated surface due to abrasive blasting of the mold. This process enhances the friction and makes the surface less slippery.

Authentication

TÜV approved as playground equipment acc. EN1176.

Dimensions

Ø500 x H400mm

Volume: 70L

Fixation

For surface and ground fixation. Brackets to be ordered separately. HopOp500 can also be filled with sand or water and placed directly on the ground.

Recycled and ecolabelled*

Recycled version is made from 100% recycled polyethylene plastic, of which 85% comes from internal waste and production surplus, while 15% comes from polyethylene bags.

Recycled version is ecolabelled, promoting circular economy and fulfils UN's sustainable development goal no.12 – Responsible consumption and production.

Recycled version is available in anthracite variant, yet colour can vary from order to order.

Maintenance

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The colour can be revived using vinyl cleaner or similar
