

FACTS

LONG TABLE # 148

A reinterpretation of the traditional long table and bench-set. A table for sitting, eating and communicating, inspired by the long rows of tables and benches used at traditional beer- and harvest-festivals. Easy 4-point access, seats 4-6-8 or 10.

Design: Extremis

TECHNICAL DATA

Material

Tabletop and seats: Iroko wood or Hellwood
Frame/legs: Folded hot galvanised steel

Dimensions

Available in 2 lengths: 2400mm (6 pers.) and 3000mm (8 pers.)

Fixation

Sits directly on the ground or surface fixation. Brackets to be ordered separately.

Variant

1800mm (4 pers.) og 3600mm (10 pers.).
Brown, red or white painted frame and legs.

Maintenance

Untreated wood requires no maintenance. Sun and wind will gradually change the colour to a silvery grey. Use fine sandpaper + oil once a year to preserve the golden glow and a smooth surface.
